

PRINT MEDIA

Virginia livestock and poultry price reports are available by email in narrative format suitable for publication in limited column space. The reports are automatically distributed as soon as they are created, insuring that the most current information is available to you within minutes of its being released nationwide.

Your subscription can also include current price reports for cotton, fruit, grain, hay, and vegetable prices. National reports are available as well, including a full range of daily and weekly prices and trends.

To receive the reports when published,

Go to www.vdacs.virginia.gov/marketnews, click on *Subscribe to fax or E-mail reports* and follow the on-screen instructions. When selecting reports, select from the *Media* category for narrative-format reports currently available.

Call 800.552.5521 and press 0 or email market.news@vdacs.virginia.gov and will assist in setting up your email or fax subscription with reports that may be of interest in your geographic area. You can modify the online subscription anytime.

BROADCAST MEDIA

A twice-daily report, Monday through Friday at noon and 5 PM, is available by calling 800.552.5521 and selecting option 8.

The three-minute report includes popular grain and livestock futures, and Virginia grain and livestock prices.

Call 800.552.5521 to broadcast the twice-daily report available at option 8.
